

# Franklin Day One

Walks into room, finds you sleeping, kicks your butt. Oi, get up. It's me, ur daddy. Go wash. We going out. I wait outside. 10 minutes.

Ye new car. Volvo. We go for tennis, then we go town, eat, meet one friend, that's all okay. Good. the temperature outside is 7 degrees to the negative. It is hard to make it hard. Yes. Americans.

How is your math going? Friend before boyfriend, just the sequence around here, tree before furniture. I wanna be ur frend missy we shud be frendz first. Is that good enough? Do not watch much American television forgive me.

There is lot of city planning. Every inch is planned. It is a very collective state. Big family. Those people are weak. Burden. Liability. Most of them will leave the country. Sweden danmark England. usa. Rules are very important here. you can get fined for staring at a post. Dina did the right thing. I was culpable. You try not to beat the drum, or you get recycled. Try and be nice. you are nice that should be easy for you. if someone seems foolish, help him up. We are not concerned with the bad apples. They are about 200. We live with 2 million. Drop your American ideas, because it will never be tolerated. They are in pre school. They are being shown history. Very dedicated teachers.

Foreign investment from Russia has been allowed by the government. I am not in government. Subtle is English word. This is Viking land. Waves to passing car. She is old friend. 3 children. All in the army. This is the poor district. Lot of migrants here. they speak Norwegian. they follow rules. We have to walk now.

There are some things you just know. intuition. It is locked. We have to wait. I miss home too. it has been 20 minutes since we left. Franklin, 20 minutes and you are holding my hand. Hold the racquet. Some people color their hair. Why don't you. purple, green, pink. It may not open today, he must be on leave, we sit here. those are local magazine. Useful. Try and match pricing with USA. Do you see any difference? Products are good. oh someone is here. hei. She will help us. Just some knocking about. Thank you. give the old balls. Easy to play with. When? I may be busy, may have to go to berlin. Franklin, come. This is the wall. You try hitting the wall. Do for 15 minutes. Look we have some people. maybe we can get a match. I will get some water.

Are you comfortable now? Ball seeming like your extension. Control. Good. grip is up to you. what makes you feel confident. Move feet always. Trick. no girl moves feet. Stay on toes, not heel. Sprinting? Yes. I will play some with those people, you practice, when you are tired, we call it off. they find me crude. My style is considered makeshift. Not a Viking ☺. Not really, if you want you can tune your game. I just like to beat these monkeys.

Okay. I will just change shoes. You will drive? Crash into some property, make a name for yourself. No I am kidding, you can drive. Town. Dunkin donut. American election? Does your father sponsor any senator? What is your political alignment? Democrat? Lincoln was republican. I don't know. We don't follow much here. I do not even know Norwegian election. You cannot park there, go to the left. Franklin, Good Morning, ☺.

Salad. Friend taught me Salad is good. They may have some crush. Ask her. If it were warm, it would be America. Warm to kids, Cold to strangers, rational. I will get the paper, you wait here. yes. What are they doing? Economics, sorry I will do this later. Franklin, USA, she is your distant cousin. Do not take it so badly. Yes? We eat here. friend may or may not come ☺. No pushing. Yes good idea. Ladies first. They do know you, they have a clue. They will not respond. Yes they know me. Rasputin. From India. Thank god we got food there. I was hoping she would kick us out. Here, have this mint, your tongue needs it. That is the park. Should we sit in park? Good.

There is a lot here Franklin. Fundamental. Gravel and stone. What this is, needs understanding. I never compliment. But you are insightful. Hopefully, you will break this fort. I am a good texas hold em player. I know where to put my money Franklin. That, is the tax office. Economic utopia. Achieved. This nation functions on 100% efficiency. Trying to throw dirt, or look for gaps, or scream and shout, will make you alien.

Franklin, there is the desert and there is the mountain. Where you fight also defines you. I find you underemployed. Look North.

Come, this is the Mall. Better now, more people, children, bright, clothes , shoes, bakery. Yes. More like America? Waffle? I will also have one, thank you.
